Those in the party were: Dema Fleck, Eunice Anderson, Rebe Elliott, Ruth Moore Morriss, Pearl Foster, Camille Kibler, Anna McComas, Mary Titsworth, Gene Smith, Idus Lambert, Maria Mateus, Engene Thurston, Earl Weisiger, Harry Welsch, Raymond White, Chris Jungiehann, Logan Chilbson, Merville Darnall and Reed Harlon, more beautiful if they were somewhat fleshier, and as an increased weight is possible it is the duty of every woman to be always at her best. Frequently a two months' treatment adds 15 to 20 pounds, besides adding more color to the cheeks and lips and a sparkle of health to the eyes.

I have frequently prescribed a liquid remedy, but, owing to its disagreeable taste. I am now prescribing the same formula in a tablet form. It is called 5-grain athelence tablets and is sold by druggists in tablets and is sold by druggists in the cheeks and lips and a sparkle of health to the eyes.
